

...WholyFit continues to be such a blessing to me as I move into teaching other forms of exercise, all being influenced in some way by WholyFit. As I continue to expand my career in the fitness world, I realize what excellent training I received from you. Thank you for giving me such a wonderful start and equipping me with an important ministry tool.

Blessings,

I am so grateful to be a part of WholyFit and the beautiful things God is doing through you. Thank you for your obedience to Him and your guidance to me. Love you!

My church had a camp out at Lake Summerville this weekend. We had a WholyFit class next to the water Sunday morning. The sun was shining, a breeze was blowing, the water was gently lapping the shore, and we were worshipping! It was beautiful!

I have started the teacher's manual 1 and really love what you are doing with the exercise and the Lord together. It is all very understandable, too.
